

UNU New Publications in 2006

This is a list of UNU works issued to the public in the form of reports, books or public information materials in 2006 that are catalogued by the UNU Library. They include the UNU Press publications, programme, project and periodic reports produced by the UNU Headquarters or Research and Training Centres (RTCs). Any other UNU work related items issued or sponsored by the UNU and published by external publishers are also included. Other than electronic forms that are linked directly from each title, they are all accessible in the UNU Library.

A
