ABOUT US

The United Nations University – Maastricht Economic and Social Research Institute on Innovation and Technology (UNU-MERIT) is a research and training institute of the United Nations University and Maastricht University, located in the Netherlands.

OUR OFFER

The Capacity Development Office provides career-enhancing training for policymakers and practitioners. Our programmes are designed to help participants influence and implement policy related to the UN's Sustainable Development Goals.

Modalities

Courses and trainings are offered in-person, online and with a blend of both approaches.

Partners

Governments, NGOs, UN bodies, and international organisations

Topics

- Public Policy
- Governance
- Technology
- Innovation
