

PRESS RELEASE · TOKYO, 8 MAY 2024

UNU-IAS Symposium to Support the Recovery of Noto Peninsula: Building Back Better

On 11 May 2024, UNU-IAS will co-organize an international symposium on supporting recovery efforts in Noto Peninsula, Ishikawa, Japan, following the 2024 Noto Earthquake. This event in Tokyo will bring together representatives from municipalities in Noto and Sanriku, stakeholders in regional industries, educators, youth, experts, officials from Ishikawa Prefecture and government representatives to discuss the following topics:

- Current situation and challenges
- Leveraging regional strengths for recovery, utilizing the resources of *satoyama* and *satoumi*
- Vision for a resilient and sustainable future
- Collaborative efforts to reflect regional needs and youth perspectives in policymaking

Date and time

11 May 2024 (Saturday), 13:30 – 17:00 JST

Participation and registration

The event will be held online and in-person at the [U Thant International Conference Hall](#) at UNU Headquarters in Tokyo, Japan. To attend in person, please [register](#) by 9 May 2024. To participate online, please [register](#) to receive a Zoom link.
