Key Skills and Methodologies

- Strong research and teaching experiences in AI and data governance, digital ethics, digital policy and regulations.
- Expert on research methods including data collection methods of semi-structured interviews, participatory observation, focus groups and surveys, as well as approaches of case studies, grounded theory, and action research.
- Proven ability to collaborate and engage with multistakeholder groups, including government, private sector, academia, and civil society
- Excellent written and verbal communication skills for policy, academic, and public engagement
- Demonstrated leadership and decision-making capabilities in complex, high-impact projects
- Active member of multiple professional organisations and global AI governance networks

Employment History

2025 to	Visiting Research Fellow – Project Lead (Part-time), the United Nations University Institute, Macau.
2020 to	Associate Professor, School of Journalism and Communication, Beijing Normal University, China
2017-2020	Assistant Professor, Department of Media and Communication, Xi'an Jiaotong-Liverpool University, China (Joint venture between the University of Liverpool and Xi'an Jiaotong University),
2012-2017	Research Assistant Professor, School of Communication, Hong Kong Baptist University, Hong Kong
2010- 2012	Nottingham Advance Research Fellow, Human Rights Law Centre, School of Law, University of Nottingham, UK

2007–2010 Research Fellow in Comparative Media law and Policy, Faculty of Law, University of Oxford, UK

Affiliate Position

2025- Fellow, China-Britain Artificial Intelligence Association, UK

2022-2025 Associate Fellow, Oxford Global Society, UK

Professional Membership

- Member of Working Expert Group on Global AI Governance Interoperability, AI Governance for Humanity Lab of the UN ODET, 2026
- Member of CEN-CENELEC Joint Technical Committee 21 on Artificial Intelligence (CEN/CLC/JTC 21), 2025-
- Member of ISO/IEC Joint Technical Committee 1, Subcommittee 42: Artificial Intelligence (ISO/IEC JTC 1/SC 42), 2025-
- Member of the British Standards Institute ART/1 AI Standards Committee (BSI ART/1), 2025-
- Executive council member of ISOC UK Chapter, 2025-
- Member of the Law Expert Committee of China's Artificial Intelligence Industry Alliance (AIIA) 2024 –
- Member of United Nations University's Expert Group on Synthetic Data 2024
- Member of the Research Assessment Panels on AI of Information Ecosystems and Democracy, *the Forum on Information and Democracy*, 2023-2024
- Multistakeholder Working Group Member of UN Internet Governance Forum(IGF)'s Policy Network on Artificial Intelligence (PNAI) 2022 – Present
- Multi-Stakeholder Steering Group (MSG) member of China Internet Governance Forum (China IGF) 2019- Present
- Member of ICANN's Asian, Australasian and Pacific Islands Regional At-Large Organization (APRALO) 2016- Present
- NGO representative to the UN's Open-ended Working Group on developments in the field of information and telecommunications in the context of international security (OWEG) 2020- 2025

- Former Vice-chair of the Public Media Policies (PMP) Working Group of the International Association for Media and Communication Research (IAMCR)
- Former Outreach and Partnership Committee Chair of the Global Network of Internet Governance Academics (Giganet)
- Member of the Association of Internet Researchers (AoIR)

Qualifications

Academic Qualifications

PhD Media and Communication, University of Westminster (Funded by the Quintin Hogg Research Scholarship)

MA Transnational Communication and the Global Media, Goldsmiths College,
University of London
BSc (Hons.) Computer Science, the Chinese University of Hong Kong

Professional Qualifications

- ✧ Certificate for Online Course on *Unleashing Digital Trade and Investment for Sustainable Development*, jointly issued by UNIDO(UN Industrial Development Organization), UN ESCAP (UN Economic and Social Commission for Asia and the Pacific) and UNCTAD (UN Trade and Development)

Recent Research Projects

- | | |
|------------|--|
| 2026 | Project Lead of the policy report on <i>Interoperability in Governance of AI-Human Collaborations in Higher Education: France, UK, South Korea, China and Singapore</i> , United Nations University Macau

Fellow Leader of the white paper on <i>Rethinking Teacher Intelligence as Ethical, Critical, and Explainable Intelligence (ECETI) in the Era of Generative AI</i> , Asia-Europe Education Fellowship Program

Substantial Writing Contributor of the white paper on <i>Toward Interoperability and Inclusive Participation in AI Governance</i> , AI Governance for Humanity Lab. |
| 2025 | Project Lead and first author of the policy report on <i>Interoperability in AI Safety Governance: Ethics, Regulations, and Standards - the UK, South Korea, China and Singapore</i> , United Nations University Macau |
| 2023-2024 | Co-led the UN IGF's Policy Network on AI's two annual research reports |
| 2023- 2024 | Member of the Research Assessment Panels on AI of Information Ecosystems and Democracy of the Forum on Information and Democracy, contributing to the policy report on <i>Information and Democracy Report – Working Towards a Structure</i> . |
| 2023- 2024 | United Nations University's Expert Group on Synthetic Data, co-author of the policy report on <i>Recommendations on the Use of Synthetic Data to Train AI Models</i> |
| 2022-2024 | Member of the AGIDE Working Party for the research project <i>Academies for Global Innovation and Digital Ethics</i> , a project led by Professor Christiane Wendehorst, the President of the Humanities and Social Sciences Division of the Austrian Academy of Sciences (ÖAW) |

Research Grant/Fund Awarded

2025	Visiting Research Fellow-Project Lead, SenseTime, Interoperability of AI Safety Governance. (Amount approx. ¥100,000)
2022	Applicant, UN Internet Governance Forum (IGF) Travel Grant, approx. ¥30,000
2019	Principal Investigator, Policy and Regulation Bureau of the State Cyberspace Office of China International Internet Development Report, RMB 140,000
2018-2023	Co-Investigator, Chinese National Social Science Fund Major Project, Information Value in the Intelligent Age (Project Approval Number: 18ZDA307), RMB 500,000
2018-2021	Co-Investigator, Chinese Ministry of Education Humanities and Social Sciences Youth Fund Project, <i>Research in the Global Internet Governance Rules</i> , RMB 80,000
2018-2021	Principal Investigator, Xi'an Jiaotong-Liverpool University Research Development Fund (RDF), <i>Big Data Ethics in China's Social Media Sector</i> , RMB 100,000
2015- 2017	Principal Investigator Hong Kong Research Grant Council, General Research Fund (GRF), <i>ocial media in China: the network governance perspective</i> , HKD 250,000
2010-2012	Principal Investigator, Chiang Ching-kuo Foundation Research Grants of Taiwan, <i>Researching Law in Society in China: The interplay between the law and media in defamation litigation (1992-2009)</i> , EUR 65,000
2010-2012	Co-applicant, European Commission, Project Grants on <i>Protecting the media through the law</i> (a collaborative project between the Greater China Centre and the Programme of Comparative Media Law and Policy in Oxford), €1 Million
2009	Principal Investigator, British Academy Research Grants, <i>Chinese Broadcasting Policymaking in Transition (2009-2010): Actors, Structure and Process</i> , £7,410
2008	Principal Investigator, Faculty of Law, University of Oxford, Research Support Grant, <i>Libel litigation and the Media in China</i> , £2,995

Recent Publications

See appendix for publications list

Journal Peer-Reviewer

Peer reviewer for “Blockchain”, “International Journal of Data Privacy Law”, “Policy and Internet”, “Big Data and Society”, “Computer Law & Security Review”, “Journal of Electric

Broadcasting and Media”, “China Quarterly”, “Political Economy of Communication”, “Journal of Chinese Political Science”, “New Media and Society”, ‘Asian Journal of Communication’, “Convergence”, “International Journal of Press/Politics”, Palgrave Macmillan’s Culture & Media Studies series, Routledge and etc.

Teaching Profile

AI and Internet Governance

Digital Law and Ethics

Digital Media and Society

Approaches and Methods in Communication Research

Modules Taught

See appendix for modules list

Postgraduate Supervision

PhD Supervision

- 1) Mr. Zain Khan, thesis title “Use of Generative Artificial Intelligence in Pakistani Newsrooms: Implications for Ethical Journalism and Editorial Decision-Making”, 2024- , Beijing Normal University, acted as the first supervisor
- 2) Mr. Le Song, thesis title “Data Ethics in China’s Social Media”, year of supervision: 2018-2019, Xi’an Jiaotong-Liverpool University, acted as the first supervisor
- 3) Ms. Du Juan, thesis title “*self-regulation of social media in China*”, year of supervision: 2012 – 2017, Hong Kong Baptist University, acted as the second supervisor
- 4) Ms. Suzanne Temwa HARRIS, thesis title “*broadcasting reform in South Africa*”, year of supervision: 2013 – 2017, Hong Kong Baptist University, acted as the second supervisor

PhD External Examiner

2023, Mr Paul Gardner, Ph.D. thesis title “Information control and Party legitimacy in China”, School of Social & Political Sciences, University of Glasgow, UK

MA Supervision

- 1) Ms. Qiaoqiao Wu, Research MA Student, years of supervision: 2025-
- 2) Ms. Eduard Mello and Kiran, Research MA International Student, years of supervision: 2024-2026, Beijing Normal University

- 3) Ms. Zheling Zhuan and Jie Xu, Research MA Student, years of supervision: 2024- 2026, Beijing Normal University
- 4) Ms. OIUNA Chen, Research MA International Student, years of supervision: 2022- 2026 , Beijing Normal University
- 5) Ms. Miya Huang · Research MA Student · years of supervision: 2022- Beijing Normal University
- 6) Ms. Diana, Research MA International student, years of supervision: 2021-, Beijing Normal University, acted as the first supervisor
- 7) Supervised 3-4 MA students per year, years of supervision: 2017-2020, Xi'an Jiaotong-Liverpool University, acted as the first supervisor
- 8) Supervised 5-6 MA students per year, years of supervision: 2012-2017, Hong Kong Baptist University, acted as the first supervisor

Administrative Responsibilities

Programme Director (2022-)

Serve as the programme director of the English MA Degree “Digital Media, Global Cultures and Communication” and the English PhD Programme “Media and Communication” in the School of Journalism and Communication at the BNU

International collaboration Officer (2021-)

Responsible for the international academic collaborations in the School of Journalism and Communication at the Beijing Normal University (BNU).

Managing and developing the Cardiff-Beijing Normal University’s 1+1+1 PGT Programme & 4+1 Progression Programme between the School of Journalism and Communication at the BNU and the School of Journalism, Media and Culture at the Cardiff University.

Member of Teaching Committee (2021 -)

The committee is responsible for teaching quality control and curriculum design of the School of Journalism and Communication at the BNU.

Course Coordinator

Served as course coordinator of the Associate Degree in Journalism at the Hong Kong Baptist University, responsible for course curriculum development, course administration, teaching quality and performance monitoring, and teacher recruitment.
